Input: Hello

1. Chatbot: Hello, I will be your server tonight at Chatbot Dining. How many do you have in your group?

Input: There are 5 people in my group.

2. Chatbot: 5? Amazing, I'll get you guys seated shortly. Follow me to the table.

3. Chatbot: Okay, would you like anything to drink to start off?

Input: What drinks do you have?

4. Chatbot: We have soda, beer, wine, champagne.

Input: Just water is okay.

5. Chatbot: Okay, I will get some water for you guys.
6. Chatbot: Here are your waters. Would you like to order a starter?

Input: What are the options?

7. Chatbot: We have garlic bread, hummus plate, caesar salad, and grilled potatoes.

Input: We will have the grilled potatoes.

8. Chatbot: Okay I will get that ready for you.

9. Chatbot: Here are your potatoes. Would you like to order an entree now?

Input: Yes, what are the options?

10. Chatbot: The options are poke bowl, tomato gnocchi, tandoori chicken, and the house salad.

Input: We will have 2 poke bowls, 1 tomato gnocchi, and 2 house salads.

11: Chatbot: Okay. What dressing do you want for your salads?

Input: What are options?

12: Chatbot: We have caesar, italian, spicy soy, and peanut.

Input: One Italian and one caesar.

13: Okay, I will get those out for you guys in a few. In the meantime, do you want more water?

Input: No thank you.

14: Here is your food. If anything is wrong, just let me know.

Input: Hello? I have a question.

15: Chatbot: What is the issue?

Input: Does the salad have nuts in it?

16: Chatbot: No, there are no nuts in the salads.

Input: Thank you

17. Chatbot: you're welcome.

18: Chatbot: How is everything tasting?

Input: Great! Thank you.

19: Can I take this plate?

Input: Yes please. Could we also get a to-go box?

20: Yes, I will get that out for you soon.

21: Here is your to-go box.

Input: Thank you!

22: Chatbot: You're welcome. Would you like to order dessert?

Input: Yes please.

23: Chatbot: The options are lava cake, icecream, and donuts.

Input: We will have one lava cake, two icecreams, and one donut.

24: Chatbot: Great! What flavour do you want for the ice cream?

Input: What flavours are there?

25: Chatbot: There is mango, vanilla, and chocolate.

Input: Two chocolates please.

25: Great. I will get that out for you.

26: Here are your desserts. Would you like any coffee or tea with those?

Input: Tea please.

27: Amazing, we have peppermint, earl grey, and english breakfast.

Input: One peppermint and one earl grey please.

28: Here are your teas.

Input: Thank you
